

# Presentation Power™

The workshop that makes your message electric!

Presented by: R.J. Foster, Wordsmith

In today's multi-media world, it's never been easier to be heard *or* more difficult to be listened to. When you speak to people, do they listen? Do they respond? If not, it's time for the workshop that helps you discover the energy within you that makes you more engaging, more interesting, and more effective. It's time to discover your PRESENTATION POWER!
